A lot of people say that this game is a Raja Games Simulator Strategy, Clash Of Clans (COC), all games, war tools, characters, objectives, and more, is just different themes in the game. Clash Of Clans (COC) has a nuanced outback Village theme, while for Total Conquest it provides a nuanced theme from the ancient Roman Empire. But so far the CEO of Supercell, the developer of Clash Of Clans himself, has not protested or reported Total Conquest. So so far the game is still standing and still played by the crowd. Along with the development of Technology Science, this game also has a Mod app that can be played offline (without internet connection) with other interesting features. So, this time, for those of you who like strategy games like COC but don't want to build from scratch, because the account is banned or lost. We recommend a game very similar to this COC.
